Re: *Katheryn Robb v. George Robb, Jr., et al.*
Case No. 1:24-cv-04262-CM

Dear Judge McMahon:

Our office represents Defendant Coffey Modica, LLP ("Defendant") in the above-referenced matter.

Pursuant to Your Honor's Individual Practices and Procedures, Rules I(D) and the Order Scheduling an Initial Pretrial Conference, ¶ 4, (ECF #24) the Parties respectfully request, on consent, an adjournment of the Pre-Trial Conference currently scheduled on September 26, 2024, up to October 8, 2024, or another date more suitable for the Court.

The Parties request this adjournment due to the pending Motions to Dismiss which to date have not been fully briefed. In addition, the undersigned requests this adjournment because I am traveling overseas between September 19, 2024 and September 29, 2024.

This is the first request seeking to adjourn the Pre-Trial Conference. Thank you very much for your attention and consideration.

Respectfully submitted,

Kevin D. Torge
